"quality you can hold onto"

atlantic uk
architectural hardware

As a family run business Atlantic UK Architectural Hardware has been involved in the Construction and Ironmongery industry since 1989. Atlantic UK has earned a reputation for its "simple, honest, on-time, quality service".

Our unique ranges of architectural hardware are manufactured to the highest standards and will add that distinctive finishing touch to your project.

From the rustic charm of the Old English levers to the innovative style of the senza pari range there will be something that inspires you.

We are passionate about bringing new concepts and designs to the market and making it simple, to get beautifully crafted door furniture, with a quality you can hold onto…

All our door levers come with a mechanical guarantee. Terms and Conditions available.

for whatever comes to mind

All sizes shown are approximate and we reserve the right to change them where necessary and without notice. Colours may vary from the actual products shown due to photography and print techniques. Finishing on the Old English range may vary slightly from one batch to another, due to the hand finishing technique. All of our designer levers are designed for internal use only, and therefore the guarantee is voided if fitted externally.
